THE TRYOUT:**

Ball
Wear shin guards
Water

Tryout paperwork – Can print from website
www.msbrillafc.org

**MISSISSIPPI BRILLA FC
HISTORY:**

Brilla Soccer Ministries was founded in 1996 on a soccer mission trip to Costa Rica. Brilla’s purpose is to share the good news of Jesus Christ through the game of soccer. Whether in a foreign country, playing in the states, or in a camp setting, our goal remains the same – to shine for Jesus. Brilla is the Spanish word for “shine,” which reminds us that Jesus said, “Let your light shine before men.” (Matthew 5:16) Since its inception over ten years ago, Brilla has expanded its ministry into three main areas:

Teams

Brilla’s amateur team competes throughout the year all over the country in friendly matches and tournaments. The team also participates in the US Adult Soccer Association. Each time the team competes against college teams, men’s teams, or other exhibition squads, a member of our team shares a testimony and the team passes out evangelistic literature after each match.

Camps

Throughout the summer, Brilla’s staff can be found teaching soccer to children in week-long camps hosted by churches throughout the country. The goal of Brilla’s soccer camp is to share the love of Jesus with as many kids as possible, while providing fun, challenging, and high-quality training in the game of soccer. The Brilla camp staff desires to see each child grow in the game of soccer as well as their relationship with the Lord, whether believing in Him for the first time, or by helping them grow in their daily walk with Him.

Tours

Brilla evolved from a mission trip to Costa Rica in 1996, and international missions continues to be at the forefront of Brilla Soccer Ministries. Through soccer, the team has been able to open doors in other countries that may not have been opened in any other way. Brilla works with missionaries in other countries planning matches, clinics, worship services, and street evangelism. Brilla has played against and shared the Gospel with top competition such as the National Teams from Antigua and El Salvador and professional teams in Costa Rica, Venezuela, Mexico, and Guatemala.

PDL

Mississippi Brilla FC is the minor league soccer franchise of Brilla Soccer Ministries, Inc. The team competes in the Southeast Division of the Southern Conference of the Premier Development League, a division of the United Soccer Leagues.

The team’s inaugural season was in 2007 and plays its home matches at Harper Davis Field on the campus of Millsaps College in Jackson, MS.

MS Brilla Juniors Youth Club

In 2009 Mississippi Brilla FC formed their first DI select teams playing under the Mississippi Brilla Juniors crest. In the inaugural year the club formed 11 teams along with several developmental programs.
